# Guidelines for Using Zoom Meeting for the T-TSA March 17<sup>th</sup> Board of Directors Meeting

# **Before the Meeting:**

• Zoom can be used in a web only application, on mobile devices, or as a desktop version. The desktop version is recommended as it has the most functionality. Please use the following link to download the APP: https://us02web.zoom.us/webinar/register/WN\_IgViEMfOT62w5ss5OtqCBw

# **To Join the Meeting:**

- <u>Video teleconference</u>: You can join the meeting via computer, tablet, or phone which will allow greater functionality such as having a name associated with your caller-ID.
  - Join using this link: <a href="https://us02web.zoom.us/j/87095243941">https://us02web.zoom.us/j/87095243941</a> If you do not have a microphone with your video conference, please call in via audio teleconference to as described below.
- <u>Audio Teleconference</u>: You may also join the meeting via phone only.
  - Join by calling the following Toll-Free phone number: (888) 475-4499
  - You will then be asked for the Meeting ID: 970-9524-3941#

# **Controls:**

- If you are attending the meeting via video teleconference, please utilize the settings tab at the bottom of the screen to control your video. You are encouraged to share your video stream when speaking.
- Mute/Unmute Please keep your audio/telephone on mute, regardless of teleconference method. If needed, the meeting host will also mute/unmute you to keep order for the meeting. You can do this using your phone's controls or using the controls on Zoom.

# **Board Discussion:**

• Board President Cox will chair the meeting. After staff introduces an agenda item, Directors will be given the opportunity to provide comment one-by-one as called on by President Cox.

# **Public Comment Option(s):**

• After the Directors have discussed an agenda item, President Cox will move to receive public comment from the audience on the item. There are three (3) options in which to request to speak during public comment of an Agenda item. Mrs. Chavez will call on individual attendees in order of request to sequence comment.

# o Option #1: Request to speak during public comment prior to the start of the meeting.

If you are attending the meeting teleconference and would like to submit a general public comment or comment on a specific Agenda item, please email Mrs. Roshelle Chavez, Executive Assistant/Board Clerk at <a href="mailto:rchavez@ttsa.net">rchavez@ttsa.net</a>. Identify your email subject title comment as "Public Comment". In the body of the email please state the nature of your comment so we can confirm if it is general, or Agenda item specific to speed up the meeting.

- o <u>Option #2: Call our office at (530) 587-2525 x 112</u> and ask for Mrs. Roshelle Chavez. If she is not available, please leave her a voicemail to let her know you wish to comment at the meeting.
- o <u>Option #3: Use the Zoom meeting controls to "Raise Your Hand."</u> Once you are logged into the meeting, there is an option at the bottom of your screen to "Raise Your Hand", from a telephone you can dial \*9 to "Raise Your Hand."
- Those who make any comments may do so when President Cox moves to receive public comment from the audience, Mrs. Chavez will then call upon those.
- All requests to make a comment will be called upon in the order received.

# **Motions:**

• All motions will be taken by roll call vote.

**Date:** March 17, 2021

Date: March 17, 2021

To: Board of Directors

From: Michelle Mackey, Accounting Supervisor

III-1 Item:

**Subject:** Approval of general fund warrants

# **Background**

The Agency implemented the Caselle software program and the report of general fund warrants is attached as prepared by Agency accounting software. It should be noted, payroll summaries are now excluded from the general fund warrants and are incorporated into the financial statements.

All warrants are paid and payable for the previous calendar month(s).

# **Fiscal Impact**

Decrease in Agency general fund per the warrant amounts.

#### **Attachments**

Report of general fund warrants.

## Recommendation

Management and staff recommend approval of the general fund warrants paid and payable.

# **Background**

Attached are the financial statements for the previous calendar month(s); each of which include (1) fund summaries, (2) end of month cash balances, (3) Local Agency Investment Fund (LAIF) statement, and (4) California Employers' Retiree Benefit Trust (CERBT) Fund statement.

Summaries of the expenditure and revenue activity are provided for Fund 10: General Fund; Fund 02: Wastewater Capital Reserve Fund; and Fund 06: Replacement, Rehabilitation and Upgrade Fund.

The end of month Combined Cash Investment table provides the end of month balances for all Agency cash accounts, which reconciles with Agency end of month fund balances.

The LAIF and CERBT statements provide a summary within the account.

# **Fiscal Impact**

None.

**Subject:** Approval of Progress Pay Estimate No. 2 for the Furnishing Air Purifying Respirator and

Self Contained Breathing Apparatus Equipment project

# **Background**

The Agency maintains an inventory of air purifying respirator (APR) and self contained breathing apparatus (SCBA) units for routine operations and maintenance activities and emergency response actions. The maximum service life of the SCBA tank cylinders is 15 years as regulated by CalOSHA. All of T-TSA tank cylinders are nearing the end of their service lives. This project replaces these SCBA units. In addition, new masks will be provided which are capable of functioning in either an SCBA mode or in an air purifying respirator (APR) mode using filter cartridges.

The contract documents state that the Agency will pay the seller ten percent (10%) of the purchase price upon approved shop drawing submittals and ninety percent (90%) upon complete delivery of the equipment. During this pay period, the seller completed his obligation to deliver the equipment.

# **Fiscal Impact**

Progress Pay Estimate No. 2 is for \$46,791.28.

**Subject:** Approval of Progress Pay Estimate No. 6 for the 2020 Administration Building Remodel

project

# **Background**

The 2020 Administration Building Remodel project involves a partial remodel to the administration building including new carpeting, tiling, baseboards, and paint in some of the spaces. A new layout of a "rotated" board room will also be provided with new furniture, blinds, and other miscellaneous items. The contractor has now completed all work as detailed on Progress Pay Estimate No. 6.

# **Fiscal Impact**

Withholding 5% for retention from Progress Pay Estimate No. 6 would yield a payment to the contractor of \$6,044.51.

# II. Public Comment.

Mrs. Chavez advised the Board of Directors there were public comment letters received which have been forwarded to them for their consideration.

Ms. Jane Davis provided public comment regarding a recent Agency article in Moonshine Ink, the TTSA Tribune Blog and flowmeter in the plant headworks.

Mr. Pippin Mader provided public comment regarding the recent Moonshine Ink article and staff turnover at the Agency.

No action was taken by the Board.

# III. Professional Achievements, Awards & Anniversaries

Mrs. Vicky Lufrano introduced new Agency staff member Luke Swann, IT Specialist, to the Board of Directors.

# IV. Consent Agenda

- 1. Approval of the general fund warrants.
- 2. Approval of the financial statements.
- 3. Approval of Progress Pay Estimate No. 1 for the Furnishing Submersible Pump and Power Pack project.
- 4. Approval of Progress Pay Estimate No. 5 for 2020 Administration Building Remodel project.

**MOTION** by Director Wilkins **SECOND** by Director Lewis to approve the consent agenda; motion approved.

The Board approved the motion by the following roll call vote:

AYES: Directors Wilkins, Smelser, Tresan, Lewis and President Cox.

NOES: None ABSENT: None ABSTAIN: None

Motion passed.

# V. Regular Agenda

1. Approval of the minutes of the regular Board meeting on January 20, 2021.

Mrs. Chavez stated that the associated documents submitted by the public in the Agenda packet that are typically filed with the minutes include some confidential and personnel information that should have been redacted, and prior to filing and posting the final approved minutes with associated public documents, staff will redact the confidential personnel information. The Board moved to approve the minutes to include redactions to the documents.

Public comment was received by Mr. Pippin Mader regarding the minutes.

**MOTION** by Director Lewis **SECOND** by Director Wilkins to approve the minutes of the regular Board meeting on January 20, 2021; motion approved.

The Board approved the motion by the following roll call vote:

AYES: Directors Wilkins, Smelser, Tresan, Lewis and President Cox.

NOES: None ABSENT: None ABSTAIN: None

Motion passed.

# 2. <u>Discussion of a temporary sewer service charge relief due to economic hardships caused by COVID-19.</u>

Mr. Griffin discussed requests for relief of sewer service charges submitted by the business owners of "Za's Lakefront" and "Wolfdales's Restaurant". He stated in lieu of addressing each current and potential future request individually, it would be more efficient to revisit a potential temporary sewer service charge relief.

Public comment was received from Mr. Steven Topol, owner of "The Blue Agave Restaurant" requesting relief equivalent to the restrictions placed on his restaurant.

After further discussion, the Board of Directors directed staff to return next month with a proposed sewer service charge relief program that included an automatically applied relief to commercial properties which were known to have been directly affected by COVID-19 restrictions, such as restaurants, and a hardship relief procedure based on an application review process. The amount of relief would be proposed by staff.

# 3. <u>Discussion related to retiree health benefits and employee pension contribution.</u>

Mrs. Vicky Lufrano provided information related to (1) <u>Retiree Health Benefits</u> and (2) <u>Employee Pension Contribution</u> for discussion and possible amendment.

The Agency currently funds all retiree health benefits for current retirees and current employees. If the Agency wishes to amend the current retiree health benefit, it has the following potential amendments per CalPERS administration:

- 1. Adopt a Vesting Schedule plan.
- 2. Adopt a *PEMCHA minimum* plan.

The Vesting Schedule plan is primarily based on years of service which equates to an employer contribution percentage and the PEMCHA minimum plan is based on a flat employer contribution amount, regardless of service.

The Board of Directors asked questions regarding the specifics of each plan and application. After discussion, the Board of Directors directed staff to return next month with more information from CalPERS on each plan and possible ability to amend the plans.

Mrs. Lufrano provided information on the employee pension contribution and informed the Board of Directors the Agency currently funds the employee portion of the pension contribution of Classic members and PEPRA members were required to fund their own employee portion of the pension contribution.

The Board of Directors asked questions regarding Classic and PEPRA employee contributions and directed staff to return next month with an agenda item for potential approval to have Classic members hired after a future date fund their own employee portion of the pension contribution.

Agency staff comment was received by Mr. Aaron Carlsson regarding the opportunity for staff input.

Public comment was received by Mr. Pippin Mader regarding retiree health benefits and employee pension contributions.

# 4. Presentation of the annual financial audit for fiscal year 2019-2020.

Ms. Vera Kis and Mr. of Ron Ley of Damore, Hamric & Schneider, Inc. presented the Agency annual financial audit for fiscal year 2019-2020 to the Board of Directors for their review and consideration.

Public comment was received by Mr. Pippin Mader regarding retiree the annual financial audit.

5. Approval to receive and file the annual financial audit for fiscal year 2019-2020.

**MOTION** by Director Wilkins **SECOND** by Director Lewis to receive and file the annual financial audit for fiscal year 2019-2020; unanimously approved.

The Board approved the motion by the following roll call vote:

AYES: Directors Wilkins, Smelser, Tresan, Lewis and President Cox.

NOES: None ABSENT: None ABSTAIN: None

Motion passed.

6. <u>Discussion and possible action on Board of Director nomination to one regular and one</u> alternative seat on the Placer County Local Agency Formation Commission.

There are currently two vacancies on the Placer County LAFCO Board. After further discussion, there was no interest by the Board of Directors to participate on the Placer County LAFCO.

No action was taken by the Board.

# VI. <u>Management Team Reports</u>

# 1. Department Reports.

Mr. Peak provided an update on current and past projects for the operations department and reported that all waste discharge requirements were met for the month.

Mr. Pallante provided an update on current and past projects for the maintenance department.

Mr. Parker provided an update on current and past projects for the engineering department.

Mr. Gray provided an update on current and past projects for the information and technology department.

Mr. Griffin provided an update on current and past projects for the administration department.

Public comment was received by Mr. Pippin Mader regarding department reports.

No action was taken by the Board.

## 2. General Manager Report

Mr. Griffin provided an update on the status of various ongoing projects, none of which required action by the Board.

No action was taken by the Board.

# VII. Board of Directors Comment

Director Lewis commended the Administration Department staff for their efforts in completing the financial audit.

President Cox inquired on past conversations of the SAT.

# VIII. Adjournment

There being no further business, the open session meeting was adjourned at 12:33 PM.

**MOTION** by Director Lewis **SECOND** by Director Smelser to approve the adjournment of the Regular Board of Directors Meeting; unanimously approved.

The Board approved the motion by the following roll call vote:

AYES: Directors Wilkins, Smelser, Tresan, Lewis and President Cox.

# TAHOE-TRUCKEE SANITATION AGENCY MEMORANDUM

**Date:** March 17, 2021

**To:** Board of Directors

From: Celeste Graves, Customer Service Specialist II

Item: IV-3

**Subject:** Approval of Resolution No. 2-2021 establishing temporary commercial sewer rate relief

program in response to COVID-19 pandemic and related economic impacts

## **Background**

At the February 2021 Board meeting, staff was directed to give a presentation on commercial customer rate relief. The Board directed staff to provide the relief in two components: (1) commercial customers that were highly impacted by California capacity and shutdown executive orders and (2) commercial customers that may have been impacted by California capacity and shutdown executive orders.

The proposed Temporary Commercial Sewer Rate Relief Program is a program that will provide 50% sewer service charge relief for the 6-month period of Jan 2021 – June 2021. It will be broken down into two components:

- 1) Automatic relief for Commercial Customers that have the following billing categories:
  - Restaurants and Bars (billed per indoor seat)
  - Outside Restaurant Seats (billed per outdoor seat)
  - Beauty Shops (billed per service chair)
  - Barber Shops (billed per service chair)
  - Theaters (billed per seat)
  - Churches (billed per seat)
- 2) Application-based relief for Commercial Customers that demonstrate a "Hardship" based upon California capacity and shutdown executive orders.
  - It is anticipated that the application-based relief portion will see an application rate of 25%.

Please note, the letter submitted by Mr. Hill is attached for reference in consideration of the resolution.

#### **Fiscal Impact**

Up to \$500,000.

#### **Attachments**

- 1. Resolution No. 2-2021.
- 2. COVID-19 Relief Program Application.
- 3. Relief summary spreadsheet.
- 4. Sample customer notice letter to acknowledge relief.
- 5. Letter requesting relief from Mr. Jeff Hill.

# Recommendation

Management and staff recommend approval of Resolution No. 2-2021 establishing temporary commercial sewer rate relief program in response to COVID-19 pandemic and related economic impacts.

#### RESOLUTION NO. 2-2021

# A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TAHOE-TRUCKEE SANITATION AGENCY ESTABLISHING TEMPORARY COMMERCIAL SEWER RATE RELIEF PROGRAM IN RESPONSE TO COVID-19 PANDEMIC AND RELATED ECONOMIC IMPACTS

BE IT RESOLVED by the Board of Directors of the Tahoe-Truckee Sanitation Agency as follows:

- **1. Recitals and Findings.** This resolution is adopted with reference to the following background recitals and findings:
- a. COVID-19 is an infectious disease caused by a coronavirus. The U.S. Centers for Disease Control and Prevention considers the virus to be a very serious public health threat. COVID-19 has rapidly spread throughout the world over a short period of time, with the number of reported cases drastically escalating throughout the United States and California, including in Nevada, Placer, and El Dorado Counties. There have been over 500,000 confirmed deaths in the United States.
- b. On January 30, 2020, the World Health Organization (WHO) declared the outbreak a public health emergency of international concern, followed by a declaration on March 11, 2020 characterizing the outbreak as a pandemic. On January 31, 2020, the U.S. Health and Human Service Secretary declared a national public health emergency due to COVID-19. On March 3, 2020, Placer County declared a public health emergency in response to COVID-19. On March 4, 2020, California Governor Newsom declared a state of emergency due to conditions caused by COVID-19 and Nevada County declared a local health emergency. On March 11, 2020, the WHO declared COVID-19 a global pandemic. On March 13, 2020, the U.S. President declared a national emergency in response to COVID-19 and El Dorado County declared a public health emergency. The national, state, and county states of emergency continue in effect.
- c. Since issuing the initial emergency declarations, the Governor and local counties have issued numerous executive orders and public health orders that have required Californians and residents of Nevada, Placer, and El Dorado Counties to practice social distancing, stay at home, and close or limit non-essential businesses. In addition to the significant public health impacts in the United States, California, and local counties, there have been limits on personal movement, behavior, and economic activity, resulting in significant negative impacts on the national, state, regional, and local economies and businesses.
- d. The Lake Tahoe and Truckee areas depend heavily on tourism, with a majority of visitors to the area originating from communities in Northern California and beyond that are impacted by COVID-19. As a result of the COVID-19 emergency and public health orders, lodging facilities, restaurants, and other businesses have been prohibited from or severely limited in operating in the Agency service area, with very limited exceptions. Consequently, businesses in the Agency service area have been negatively affected by the economic impacts of COVID-19.

- e. During the business shutdowns and restrictions mandated by the COVID-19 orders, Agency commercial sewer customers have continued to be billed for and pay full sewer service charges; however, because business operations have in many cases ceased or significantly decreased, the level of Agency sewer service being delivered to those customers has been greatly reduced. Additionally, many businesses have experienced a significant loss of business revenue caused by or attributable to the COVID-19 pandemic.
- f. Agency sewer services are generally funded through rates on users, and rate revenues must be used in compliance with applicable legal requirements, including Proposition 218. The Agency also receives property tax revenue that may be used for any lawful public purpose, which includes the funding of sewer operations and sewer capital investments.
- g. The Board desires to establish a Temporary Commercial Sewer Rate Relief Program for commercial sewer customers. The Board desires to fund the program with property tax revenue and the existing cash balance in the Agency General Fund. The program-related reduction in Agency service charge revenue therefore can be accommodated without putting at risk Agency sewer operations or capital plans and without impacting sewer service charges paid by non-commercial customers.
- h. The Board finds and declares that the establishment and implementation of the Temporary Commercial Sewer Rate Relief Program will serve and further important Agency public purposes and provide fair and equitable commercial rate relief under these extraordinary circumstances.
- **2. Establishment of Temporary Commercial Sewer Rate Relief Program.** The Board establishes a Temporary Commercial Sewer Rate Relief Program consisting of the following components:
  - a. Definitions. The following definitions apply for purposes of this program:
- (1) "Commercial Customers" mean the Agency commercial and non-residential sewer customer accounts, except sewer customer accounts of federal, state, and local government agencies, departments, commissions, cities, counties, districts, and other governmental entities.
- (2) "Hardship" means that a Commercial Customer has experienced or is experiencing a significant loss of business revenue caused by or attributable to the COVID-19 pandemic and related State of California or County of Nevada, Placer or El Dorado (depending upon the county where the particular Commercial Customer is located) emergency and public health orders and that has resulted in (i) a difficult hardship paying the Agency sewer service charges, and (ii) a significant reduction of the Commercial Customer's use of Agency sewer service.
- b. Introduction. The Agency will provide rate relief to two categories of Commercial Customers. Some types of Commercial Customers have clearly and indisputably been significantly impacted by COVID-19 and have suffered consequent substantial reductions in their business revenue, while also significantly reducing their use of Agency sewer service. Those Commercial Customers will be offered automatic rate relief as described below (see subsection (c)). For other Commercial Customers, they too may have suffered

significant impacts and business revenue losses due to COVID-19. For those Commercial Customers, they will be provided the opportunity to obtain the same type of rate relief on a case-by-case basis if they are able to demonstrate Hardship through an application process (see subsection (d)). To be eligible for rate relief under this program (whether under subsection (c) or (d)), the Commercial Customer must be a current Agency customer with an active sewer service account.

- c. Automatic Relief. The Agency shall provide rate relief to each Commercial Customer in the following Agency billing categories:
  - (1) Restaurants and Bars (billed per indoor seat)
  - (2) Outside Restaurant Seats (billed per outdoor seat)
  - (3) Beauty Shops (billed per service chair)
  - (4) Barber Shops (billed per service chair)
  - (5) Theaters (billed per seat)
  - (6) Churches (billed per seat)

The scope, amount, and limitations of the rate relief shall be as provided in subsection (e).

- d. Application-Based Relief. The Agency shall provide rate relief to any Commercial Customer (not within one of the Agency billing categories described in subsection (c)) that is able to demonstrate a Hardship. A Commercial Customer may apply to the Agency to demonstrate Hardship and request rate relief through an application form and procedures provided and designated by the General Manager. If, based on a submitted application, the General Manager determines that a Commercial Customer has suffered a Hardship, then the General Manager shall approve rate relief for that Commercial Customer. The scope, amount, and limitations of the rate relief shall be as provided in subsection (e).
- e. Scope of Rate Relief. For rate relief provided automatically under subsection (c) or approved under subsection (d), the scope, amount, and limitations of the relief will be provided as set forth in this subsection.
- (1) The rate relief period will be from January 1 to June 30, 2021. The amount of the relief shall be a sum equal to 50% of the Commercial Customer's sewer service charge billing for that 6-month rate relief period.
- (2) For a Commercial Customer who is billed directly by the Agency (i.e., not billed and collected through the county property tax roll) and who has previously paid the Agency sewer service charge billing for the rate relief period, the rate relief will be provided as reimbursement through a check issued by the Agency. For a Commercial Customer who is billed directly by the Agency and who has not paid the billing for the rate relief period, the rate relief will be provided as a credit applied to the Commercial Customer account. For a Commercial Customer who is billed through the county property tax roll, the rate relief will be provided as a credit applied during the next (2021-22) county property tax roll billing cycle.

- (3) All rate relief payments and credits will be made and applied to the Commercial Customer property owner as shown on the Agency records, unless the Agency receives a written notification from the property owner directing the Agency to apply rate relief payments and credits to the Commercial Customer tenant.
- (4) The total rate relief payments and credits shall not exceed \$500,000. For Commercial Customers applying for application-based rate relief under subsection (d), rate relief shall be allocated on an application-by-application basis until the Agency exhausts this limit, with the allocation priority based on the date of a complete rate relief application. The Agency shall cease accepting and processing applications after the limit is exhausted.
- f. The Board directs that the Agency General Fund cash balance and property tax revenue shall be used to fund the rate relief program.
- 3. Implementation by General Manager. The Board authorizes and directs the Agency General Manager to take appropriate action to implement the Temporary Commercial Sewer Rate Relief Program in a manner consistent with this resolution and applicable laws. The Board further authorizes and directs the General Manager to prepare and implement appropriate application forms and procedures to implement the program.
- 4. Effective Date. This resolution shall take effect immediately upon its adoption.

NAME ADDRESS CITY, STATE, ZIP

Dear Commercial Sewer Customer,

In recognition of the impacts that the COVID-19 pandemic has had on our entire community, the Tahoe-Truckee Sanitation Agency (T-TSA) Board of Directors has taken action to help alleviate the financial hardships for our customers.

With the continuance of the State of California's and local COVID-19 orders and directives limiting non-essential business activity, T-TSA recognizes that our local businesses have experienced additional and sustained financial hardships. To support our commercial customers, the T-TSA Board of Directors took action on March 17, 2021 by adopting a resolution which establishes a Temporary Commercial Sewer Rate Relief Program (Program).

The key measures of the Program include:

- An Automatic Relief equal to a 50% sewer rate reduction for a 6-month period (Jan 2021 June 2021) for Commercial Customers in the following Agency billing categories:
  - Restaurants and Bars (indoor and outdoor seating)
  - Beauty/Barber Shops
  - > Theaters
  - Churches
- An Application-Based Relief equal to a 50% sewer rate reduction for a 6-month period (Jan 2021 June 2021) for Commercial Customers who are able to demonstrate a hardship.

We are pleased to inform you that your commercial business has qualified for the program relief. Your relief has been issued in the form of a [CHECK/CREDIT]. The relief has been issued to the property owners on record, however, T-TSA encourages property owners to pass the commercial sewer rate relief directly to the tenant if they are responsible for sewer service payment.

If you have any questions on the Program or your relief, please visit <a href="www.ttsa.net">www.ttsa.net</a> or contact Celeste Graves at <a href="cgraves@ttsa.net">cgraves@ttsa.net</a> or (530) 587-2525.

The Tahoe-Truckee Sanitation Agency is committed to our community's recovery. We appreciate your business and look forward to your safe, responsible, and successful reopening.

To the TTSA Board of Directors.

I'm writing you to request a relief of special circumstances. Based upon Section 10.P Relief Provision of Ordinance No. 2-2015.

The request for relief is based upon the following information listed below:

In reference to my last two TTSA statements. I find it hard to believe that you are charging full price for seats to my restaurant when the state has shut us down. Also charging for service not rendered. I called last June and talked to a very nice woman who said that the board of directors at that time were not going to give restaurants any relief on our bills. Here is a timeline of what we have gone thru over the last 12 months.

January 1st thru March16th No limitations

March 17th thru May 28th To go's only. Use of seats not allowed.

May 29th thru June 30th. Inside and outside seating allowed 50% compacity

July 1st thru September 8th Outside only 25% capacity

September 9th thru November 16th Inside and outside 25% compacity

November 17th thru December 9th Outside only 25% capacity

December 10th thru January 12, go's only Use of seats not allowed.

January 13th Outside only-2021

In 2020 we were open with no limitations for 10 weeks.

25% capacity for 12 weeks.

50% capacity 4 weeks.

Outside seating only 12 weeks.

To go's only no seating for 14 weeks.

My bill reflects being charged for each seat both inside and outside. As you can see we are nowhere near using the seating that your agency is charging us. I do understand that we are using water in the kitchen and the bathroom but usage has been severally diminished, due to the Federal, State and Local Guidelines.

TCPUD has given us relief on their statement last year and from what I'm hearing they are going to do some more relief this year. We are all in this together.

Thank you for your time and I forward to hearing from you.

Stamped,

Jeff Hill Owner Old Post Office Cafe

To: **Board of Directors** 

From: Vicky Lufrano, Human Resources Administrator

IV-4 Item:

Approval of Resolution No. 3-2021 amending employer paid member contributions **Subject:** 

#### **Background**

At the last Board meeting, the Board discussed the CalPERS retirement system and the two main employee retirement plans, commonly referred to as Classic and PEPRA retirement. In summary, employees that joined the CalPERS retirement system prior to 2013, are Classic members and those that joined in 2013 and after, are PEPRA employees. There are variables that may change those definitions.

With Classic and PEPRA retirements, there is a required contribution, based on a percentage of salary, paid toward the employees' retirement. This percentage is divided into an employer (ER) and employee (EE) contribution. For Classic members, the full percentage paid toward retirement is approximately 22.523%, of which 14.523% is ER and 8.0% is EE. For PEPRA, the full percentage paid toward retirement is approximately 15.097%, of which 7.847% is ER and 7.25% is EE.

Currently, the Agency pays the EE contribution for Classic employees and PEPRA employees are required to fund their EE contribution to the pension.

The Board has requested a change in the employer paid member contribution from 100% to 0% for new employees hired at the Agency. The EE contribution for current Classic employees will continue to be funded by the Agency.

Resolution No. 3-2021 amends the employer paid member contribution and has an effective date of April 1, 2021.

#### **Fiscal Impact**

Savings shall be directly related to Classic employees hired on or after April 1, 2021.

#### **RESOLUTION NO. 3 - 2021**

# A RESOLUTION OF THE BOARD OF DIRECTORS OF THE TAHOE-TRUCKEE SANITATION AGENCY AMENDING EMPLOYER PAID MEMBER CONTRIBUTIONS

WHEREAS the governing body of the Tahoe-Truckee Sanitation Agency has the authority to implement Government Code Section 20691;

WHEREAS the governing body of the Tahoe-Truckee Sanitation Agency has a written labor policy or agreement which specifically provides for the normal member contributions to be paid by the employer for employees determined by CalPERS to be Classic Miscellaneous Members;

WHEREAS the governing body of the Tahoe-Truckee Sanitation Agency desires to change its policy, and any applicable previous resolution, and not provide Employer Paid Member Contributions (EPMC) for employees hired on or after the date specified in this Resolution who are determined by CalPERS to be Classic Miscellaneous Members;

WHEREAS one of the steps in the procedures to implement Section 20691 is the adoption by the governing body of the Tahoe-Truckee Sanitation Agency of a Resolution to commence, revise or eliminate said Employer Paid Member Contributions (EPMC);

WHEREAS, the governing body of the Tahoe-Truckee Sanitation Agency has identified the following conditions for the purpose of its election to pay EPMC:

- Tahoe-Truckee Sanitation Agency will pay the normal member contributions of its employees hired by the Tahoe-Truckee Sanitation Agency before April 1, 2021 and who are determined by CalPERS to be Classic Miscellaneous Members.
- For those employees who are determined by CalPERS to be PEPRA Miscellaneous Members ("new members" as defined by the Public Employees' Pension Reform Act), the Tahoe-Truckee Sanitation Agency shall pay 0% (zero percent) of the employees' normal member contributions, as required by California Government Code sections 20691(b) and 7522.30(c)
- For those employees who are hired by the Tahoe-Truckee Sanitation Agency on or after April 1, 2021 and are determined by CalPERS to be Classic Miscellaneous Members, the Tahoe-Truckee Sanitation Agency shall pay 0% (zero percent) of the employees' normal member contributions as EPMC.
- The effective date of this Resolution shall be April 1, 2021.

Resolution 3-2021 CalPERS ID: 5084675063

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of the Tahoe-Truckee Sanitation Agency elects to pay EPMC, as set forth above.

# TAHOE-TRUCKEE SANITATION AGENCY MEMORANDUM

**Date:** March 17, 2021

**To:** Board of Directors

From: Vicky Lufrano, Human Resources Administrator

Item: IV-5

**Subject:** Discussion related to retiree health benefits

#### **Background**

In February 2021, the Board discussed TTSA's retiree health plan and asked for further information.

For retiree health, there are three possible options which consist of:

- 1. Keeping it the same as current (requires no action)
- 2. Vesting schedule
- 3. PEMHCA minimum

#### **CURRENT**

TTSA currently has a resolution on file with CalPERS that offers retiree health plans paid by TTSA. CalPERS offers several health plans to retirees and eligibility for each health plan offered is determined by physical zip code of the retiree. Depending on the chosen plan, and the tier level of the retiree and their family, the plan is paid at 100% by TTSA in most cases.

Currently, retiree health eligibility is based on the following minimum requirements to retire, as set forth by CalPERS:

- Five years of CalPERS retirement service credit (a combo of time from TTSA and other CalPERS agencies, but no minimum years of service at TTSA)
- Eligible for retirement (at least 50 years of age for Classic and 52 years of age for PEPRA)
- Must retire from TTSA within 120 days from separation of employment

Pros: CalPERS administers the plan

<u>Cons</u>: Eligibility based on minimal criteria of which TTSA has no control; no mechanism for controlling costs

TTSA will provide on Board day, an overview of current retirees that includes monetary values.

# **VESTING SCHEDULE**

The Agency may adopt a vesting schedule as set forth per government Code 22893, which sets the vesting schedule and the rules and regulations of implementation. If the Agency adopts the schedule, the Agency cannot make special provisions or changes, and rather are bound by the rules set forth by CalPERS. To be eligible for retiree health benefits within the vesting schedule, the minimum requirements for retirement must be met as follows:

Must serve a minimum of 10 years of combined service at a CalPERS agency

- Must serve a minimum of 5 years of service (out of the 10 years listed above) at TTSA
- Eligible for retirement (at least 50 years of age for Classic and 52 years of age for PEPRA)
- Must retire from TTSA within 120 days from separation of employment

The vesting schedule is based on combined CalPERS years of service and defines the percentage of employer contribution to the retiree health benefit plan based on the service. CalPERS would administer the vesting schedule and the retiree health plan. The employer contribution amount is set by CalPERS and is subject to change annually.

The vesting schedule is as follows:

Years of credited CalPERS service (5 years	TTSA's Contribution
of which must be served at TTSA)	
Fewer than 10	0%
10	50%
10-19	50%, plus 5% added for each year after the 10 <sup>th</sup> year
20 or more	100%

Currently (as of 2021), the employer contribution is as follows:

- Retiree Only = \$798/month
- Retiree Plus 1 = \$1.519/month
- Retiree Plus 2 or More = \$1,937/month

If this plan is chosen, all current retirees and current employees will be subject to the "current" plan, and any future employees will be subject to the vesting schedule.

<u>Pros</u>: CalPERS administers the plan; current employees and retirees will receive "current" plan administered by CalPERS; reduces monthly contribution provided to retirees versus current plan <u>Cons</u>: Agency must adhere to all rules set forth by CalPERS, meaning no changes can be made to the vesting schedule

TTSA will provide on Board day, a hypothetical overview, using current retiree data that includes monetary values. This will only be an example using similar data, but will not actually apply to current retirees.

# **PEMHCA MINIMUM**

The Agency may adopt a PEMHCA minimum plan. The PEMCHA minimum plan would apply a flat amount towards the employer contribution for the retiree health benefit, regardless of plan or tier-level chosen by the retiree.

The minimum requirements for eligibility under this option are:

- Eligible for retirement (at least 50 years of age for Classic and 52 years of age for PEPRA)
- Must retire from TTSA within 120 days from separation of employment

There is no requirement for years of service at TTSA. The flat fee amount is based on the amount set by CalPERS annually and typically increases by a few percentage points. Currently, the PEMCHA minimum is \$143 per month.

The PEMHCA minimum plan does not differentiate between current retirees and future retirees. If this plan is chosen, upon implementation, all current retirees would begin receiving \$143 toward their retiree health benefits. The Agency would have to administer any internal program it may decide to offer to offset the difference in the PEMCHA minimum amount.

<u>Pros</u>: Controls future costs; allows agency to add and control a vesting schedule that provides a great deal of flexibility

<u>Cons</u>: Agency must administer any benefit in addition to the PEHMCA minimum amount; Agency would need to have an active and retiree HRA account for any additional Agency-funding; all current employees and retirees must move to this plan upon implementation

TTSA will provide on Board day, a hypothetical overview, using current retiree data that includes monetary values. This will only be an example using similar data, but will not actually apply to current retirees.

Should there be a desire to have a vesting schedule with different requirements such as increased vesting requirements, a hybrid model would be required. This hybrid model would require adoption of the PEHMCA minimum plan to be administered by CalPERS and an internal vesting schedule structured and administered by the Agency.

#### **Fiscal Impact**

Varies on retiree health benefit plan.

#### **Attachments**

None.

# TAHOE-TRUCKEE SANITATION AGENCY MEMORANDUM

**Date:** March 17, 2021

**To:** Board of Directors

**From:** Jay Parker, Engineering Manager

Item: IV-6

**Subject:** Discussion of Agency properties

#### **Background**

At its January 20, 2021 regular meeting, the Board of Directors discussed the potential for future uses of Agency property. Direction was given to investigate how potential future uses may relate to Town of Truckee zoning requirements for these properties. This staff report summarizes staff findings. T-TSA owns approximately 931 acres in Martis Valley as shown in the attached Agency Property Map. Most of this land is west and south of the water reclamation facility, but there are also holdings north and east of the plant. While most of the parcels are zoned for Public Facilities, there are a couple of parcels that are in the Resource Conservation zoning district. Summary data for these properties are shown in the table below:

Parcel No.	Contains	Acreage	Zoning District
19-440-73	Pond A	15	Public Facilities
19-440-81	Ponds D1, D2, Bus Barn, Future Spray Irrigation	152	Public Facilities
19-440-86	Ponds 2, 3, 4, 5, B	38	Public Facilities
49-011-06	Legacy Trail	8	Resource Conservation
49-040-24	Monitoring Wells, Future SAT	102	Public Facilities
49-040-25	Martis Dam Spillway Outlet	20	Public Facilities
49-330-04	Monitoring Wells, Future SAT, Future Spray Irrigation	198	Public Facilities
49-330-05	Water Reclamation Facility, Existing SAT, Monitoring Wells, Teichert Exclusive Mineral Leased Land	214	Public Facilities
49-330-06	Teichert Leased Land, Teichert Reclaimed Land	184	Resource Conservation

The Town of Truckee (TOT) Development Code (Code) provides guidance as to the allowed uses and permit requirements for both Public Facilities (PF) and Resource Conservation (RC) zoning districts. These general purposes of these districts are described by the Code as follows:

**PF** (**Public Facilities**) **District.** The PF zoning district is applied to areas appropriate for public, institutional and auxiliary uses that are established in response to the recreational,

safety, cultural and welfare needs of the Town. Allowable land uses may include public parks and facilities, schools, hospitals and government offices, and other appropriate uses for public agencies. The PF zoning district is consistent with the Public and Public, Hospital/Offices land use classifications of the General Plan and on public lands in other land use classifications.

RC (Resource Conservation) District. The RC zoning district is applied to areas appropriate for protection as open space because of significant environmental resources, but where limited development may be appropriate if clustered. Land uses in this zoning district include open space, passive recreational uses and single-family homes. Development will be clustered and/or integrated with the natural environment to minimize site disturbances, and to preserve open space and other significant natural resources. The RC zoning district is consistent with the Resource Conservation/Open Space (RC/OS) land use classification of the General Plan.

The Code provides a Master Table (included as an attachment to this staff report) which shows allowed activities for each of these land zoning districts. As is shown in the table, there are many alternative uses for these lands. Some are permitting uses (P), in which a Zoning Clearance may be required. Others are subject to conditional use either via a Minor Use Permit (MUP) or a Use Permit (UP).

For possible land uses that may be subject to Zoning Clearance, a building permit application or land use application must be submitted to the TOT to verify compliance with land use development standards and other requirements. Public notice must be made. Approval by the Planning Department is contingent on whether certain findings can be made, and the approval may come with certain conditions. For example, one of the TOT's required findings would be for compliance with the requirements of the California Environmental Quality Act (CEQA) and that there would be no potential significant adverse effects upon environmental quality and natural resources that would not be properly mitigated and monitored, unless a Statement of Overriding Consideration is adopted. More detail on the findings required for a Zoning Clearance are included in the attached Chapter 18.72 of the Code.

For potential uses subject to either a MUP or UP, a land use application must be submitted to the TOT to review the configuration, design, location and potential impact(s) of the proposed use or construction by comparing it to established development standards and design guidelines. Following a public hearing, the review authority must record the decision with findings. The review authority may approve a UP, either with or without conditions, so long as certain mandatory findings can be made. For example, one of the TOT's required findings would be for compliance with the requirements of the California Environmental Quality Act (CEQA) and that there would be no potential significant adverse effects upon environmental quality and natural resources that would not be properly mitigated and monitored, unless a Statement of Overriding Consideration is adopted. Another example of a required TOT finding is that the proposed development would not be injurious to the property or improvements in the vicinity and that the size and operating characteristics of the proposed development would be compatible with the existing and future land uses in the vicinity. More detail on the findings required for a MUP or UP are included in the attached Chapter 18.76 of the Code.

For any contemplated land uses not allowed by the zoning district, the TOT has a process by which one can apply for a Zoning Map amendment. Such an amendment would have the effect of rezoning the property from one zoning district to another. This process would start by filing an application to the TOT. Public hearings would then be scheduled and a TOT staff report would be prepared evaluating and providing recommendations on the proposal. The amendment may only be approved so long as certain mandatory findings are able to be made. For example, one of the TOT's required

findings would be that the proposed amendment would not be detrimental to the public interest, health, safety, and convenience, or welfare of the Town. Other factors would be considered by the TOT in evaluating the proposal, including but not limited to evaluating the suitability of the proposed development with respect to compatibility with adjoining land uses. More detail on the findings required for a Zoning Map amendment are included in the attached Chapter 18.160 of the Code.

#### **CHAPTER 18.72 - ZONING CLEARANCE**

#### **Sections:**

18.72.010 - Purpose of Chapter

18.72.020 - Applicability

18.72.030 - Review and Decision

18.72.040 - Conditions of Approval

#### 18.72.010 - Purpose of Chapter

- A. This Chapter establishes procedures for the review and approval or denial of Zoning Clearances, which are required by the Town to verify that a requested land use activity and/or structure is an allowed land use within the applicable zoning district and complies with the development standards and any design guidelines applicable to the land use or the zoning district of the site.
- B. The review process begins with the recognition that the proposed use/construction is allowed in the zoning district and focuses on issues related to site layout and design in order to arrive at the best utilization of the subject site and compatibility of design with surrounding properties.
- C. The process includes the filing of a building permit application or land use permit application with the Director to verify compliance with all applicable land use development standards, any applicable design guidelines and the requirements of other Town departments.

#### **18.72.020 - Applicability**

Where Article II (Zoning Districts and Allowable Land Uses) requires Zoning Clearance, the Director shall evaluate the proposed use or structure in compliance with this Chapter.

- **A.** Eligibility for Zoning Clearance. A Zoning Clearance may be issued by the Director for land use activities or structure(s) identified in Article II (Zoning Districts and Allowable Land Uses) as an allowed use as follows:
  - 1. For projects of a single family dwelling, accessory dwelling unit, and/or residential accessory structure, a change in land use, new structures or additions to existing structures with a total gross floor area of less than 7,500 square feet (less than 5,000 square feet in Downtown Residential and Downtown Commercial and Manufacturing zoning districts); or
  - 2. For non-residential projects, a change in land use, new structures, or additions to existing structures with a total gross floor area of less than 7,500 square feet (less than 5,000 square feet in Downtown Residential and Downtown Commercial and Manufacturing zoning districts); or

- 3. For multi-family residential projects, a change in land use, new structures, or additions to existing structures with ten or less residential units; and/or
- 4. For all projects, a change in land use, new structures, additions to existing structures, new improvements, or additions to existing improvements with site disturbance (grading, impervious surfaces, and/or the removal of natural vegetation) of less than 26,000 square feet.
- **B.** Other permits. A Zoning Clearance shall be required before the approval of a Building, Grading, or other construction permit or other authorization required by the Municipal Code or this Development Code for the proposed use or construction.
- C. Incremental or phased development projects. Incremental or phased developments shall be treated on a cumulative basis. The approval of a Development Permit, in compliance with Chapter 18.74 (Development Permits) shall be required for additions to projects that would bring (1) the total project gross floor area for non-residential structure(s) to 7,500 square feet or more (5,000 square feet or more for projects located within the Downtown Residential and Downtown Commercial and Manufacturing zoning districts; (2) the total site disturbance area to 26,000 square feet or more; or (3) the total number of multi-family residential units to eleven or more units.

#### 18.72.030 - Review and Decision

**A. Project review procedures.** Each application shall be analyzed by the Director to ensure that the application is consistent with the content, purpose and intent of this Chapter, this Development Code, any applicable design guidelines, the General Plan and any applicable Specific Plan.

#### B. Issuance of a Zoning Clearance.

- 1. Time for decision. The Director shall take appropriate action on the Zoning Clearance within 30 days of finding the application complete in compliance with Section 18.70.060 (Initial Application Review/Environmental Assessment).
- **2. Public notice.** Notice of the Director's intent to take action on the issuance of a Zoning Clearance shall be required for all new multi-family residential, commercial and industrial projects and substantial additions, expansions, and/or intensifications (e.g., an addition of at least 25 percent of the gross floor area of the existing structure) in the following manner:
  - a. Notice shall include:
    - (1) A general explanation of the matter to be considered; and a general description, in text or by diagram, of the location of the real property that is the subject of the notice;
    - (2) The date on which the Director may take action on the issuance of the Zoning Clearance; and

- (3) The location and available times that the application may be reviewed by the public.
- b. The notice shall be mailed or delivered to:
  - (1) The owner(s) of the property being considered or the owner's agent and the applicant, if different from the owner;
  - (2) All owners of real property as shown on the County's latest equalized assessment roll within 500 feet of the boundary of the property which is the subject of the Zoning Clearance; and
  - (3) Any person who has filed a written request for notice with the Director and has paid the fee set by the most current Council's Fee Resolution for the notice.
- c. The notice shall be posted in Town Hall;
- d. The notice shall be mailed, delivered and posted at least 14 days prior to the Director taking action on the issuance of the Zoning Clearance.
- e. The Director may provide any additional notice in regards to content and/or method of distribution as the Director determines is necessary or desirable.
- f. The Director may require a re-noticing of the application if the applicant makes substantial revisions to the land use permit, entitlement or matter being considered.
- **3. Required findings.** The Director may approve a Zoning Clearance, with or without conditions, only if all of the following findings can be made:
  - a. The proposed development is:
    - (1) Allowed by Article II (Zoning Districts and Allowable Land Uses) within the applicable zoning district and complies with all applicable provisions of this Development Code, the Municipal Code and the Public Improvement and Engineering Standards; and
    - (2) Consistent with the General Plan, any applicable Specific Plan and/or Master Plan, the Trails Master Plan, the Truckee Tahoe Airport Land Use Compatibility Plan and the Particulate Matter Air Quality Management Plan.
  - If applicable, the proposed development is consistent with the design guidelines, achieves the overall design objectives of the design guidelines and would not impair the design and architectural integrity and character of the surrounding neighborhood;
  - c. The Zoning Clearance approval is in compliance with the requirements of the California Environmental Quality Act (CEQA) and there would be no potential significant adverse effects upon environmental quality and natural resources that

- would not be properly mitigated and monitored, unless a Statement of Overriding Considerations is adopted; and
- d. There are adequate provisions for public and emergency vehicle access, fire protection, sanitation, water and public utilities to ensure that the proposed development would not be detrimental to public health and safety. Adequate provisions shall mean that distribution and collection facilities and other infrastructure are installed at the time of development and in operation prior to occupancy of buildings and the land and all development fees have been paid prior to occupancy of buildings and the land.
- e. The subject site is:
  - (1) Physically suitable for the type and density/intensity of development being proposed;
  - (2) Adequate in size and shape to accommodate the use and all fences and walls, landscaping, loading, parking, yards and other features required by this Development Code; and
  - (3) Served by streets adequate in width and pavement type to carry the quantity and type of traffic generated by the proposed development.
- f. The proposed development is consistent with all applicable regulations of the Nevada County Environmental Health Department and the Truckee Fire Protection District for the transport, use and disposal of hazardous materials.
- **4. Effective date.** The Zoning Clearance shall not be valid until the companion Building and/or Grading Permit is issued or, where no Building and/or Grading Permit is required, a written determination is made by the Director.
- **5. Appeals.** Appeals shall be submitted in writing and filed with the Town Clerk, on a Town application form, within 10 days from the date of the Director's action on the issuance of the Zoning Clearance, in compliance with Chapter 18.140 (Appeals).
- C. Time limits, expiration. The Zoning Clearance shall be valid for the same time period that the companion Building and/or Grading Permit is in force or 120 days, where no Building and/or Grading Permit is required. Construction shall commence and shall be completed in accordance with the time limits established by Section 18.84.050 (Time Limits, Phasing and Extensions).

#### 18.72.040 - Conditions of Approval

In approving a Zoning Clearance, the Director may impose specific development conditions relating to the construction (both on- and off-site improvements), establishment, maintenance, location and operation of the proposed activity, as the Director finds are reasonable and necessary to ensure that the approval will be in compliance with the findings required by Section 18.72.030.B.2 (Required Findings).

#### CHAPTER 18.76 - USE PERMITS AND MINOR USE PERMITS

#### **Sections:**

18.76.010 - Purpose of Chapter

18.76.020 - Applicability

18.76.030 - Findings and Decision

18.76.040 - Conditions of Approval

#### 18.76.010 - Purpose of Chapter

- A. This Chapter establishes procedures for the review and approval or denial of Use Permits and Minor Use Permits, which are required by Article II (Zoning Districts and Allowable Land Uses) for land use activities which may be desirable in the applicable zoning district and compatible with adjacent land uses, but whose effects on a site and surroundings cannot be determined before being proposed for a particular location.
- B. The review process begins with the evaluation of the proposed use/construction to determine if the activity should be allowed on the subject site.
- C. The process includes the filing of a land use permit application to review the configuration, design, location and potential impact(s) of the proposed use/construction by comparing it to established development standards and design guidelines.

#### **18.76.020 - Applicability**

A Use Permit shall be required before the approval of any Building, Grading, or other construction permit or other authorization required by the Municipal Code or this Development Code for the proposed use or construction in the following manner:

- **A. Minor Use Permits.** A Minor Use Permit may be granted by the Zoning Administrator for the following land use activities in addition to those listed in Article II (Zoning Districts and Allowable Land Uses) as requiring a Minor Use Permit:
  - 1. Soil remediation activities which are intended to last 30 days or more; and
  - 2. A single-family dwelling, accessory dwelling unit, residential accessory structures and improvements, or additions to existing structures and improvements that result in a total gross floor area of more than 7,500 square feet on the project site (more than 5,000 square feet in Downtown Residential and Downtown Commercial and Manufacturing zoning districts); or single-family residential parcels with new structure(s), additions to existing structures, new improvements or additions to existing improvements that result in site disturbance (grading, impervious surfaces and/or the removal of natural vegetation) of 26,000 square feet or more.

- **B.** Use Permits. Use Permits may be granted by the Commission for any land use activity or structure(s) identified in Article II (Zoning Districts and Allowable Land Uses) as requiring a Use Permit.
- **C. Other permits.** A Use Permit or Minor Use Permit shall be required before the approval of any Building, Grading, or other construction permit, or other authorization required by the Municipal Code or this Development Code for the proposed use or construction.

#### 18.76.030 - Findings and Decision

Following a public hearing, the review authority shall record the decision in writing with the findings upon which the decision is based. The Zoning Administrator may refer a Minor Use Permit application to the Planning Commission for review and decision. The review authority may approve a Use Permit application, with or without conditions, only if all of the following findings can be made:

#### A. The proposed development is:

- 1. Allowed by Article II (Zoning Districts and Allowable Land Uses) within the applicable zoning district with the approval of a Use Permit and complies with all other applicable provisions of this Development Code, the Municipal Code and the Public Improvement and Engineering Standards; and
- 2. Consistent with the General Plan, any applicable Specific Plan and/or Master Plan, the Trails Master Plan, the Truckee Tahoe Airport Land Use Compatibility Plan and the Particulate Matter Air Quality Management Plan.
- B. The size and operating characteristics of the proposed development would be compatible with the existing and future land uses in the vicinity;
- C. The proposed development would not be detrimental to the public health, safety, or welfare of the Town, or injurious to the property or improvements in the vicinity and zoning district in which the property is located;
- D. The Use Permit approval is in compliance with the requirements of the California Environmental Quality Act (CEQA) and there would be no potential significant adverse effects upon environmental quality and natural resources that would not be properly mitigated and monitored, unless a Statement of Overriding Considerations is adopted;
- E. The site for the proposed use is:
  - 1. Physically suitable for the type and density/intensity of development being proposed;
  - 2. Adequate in size and shape to accommodate the use and all fences and walls, landscaping, loading, parking, yards and other features required by this Development Code; and

- 3. Served by streets adequate in width and pavement type to carry the quantity and type of traffic generated by the proposed development.
- F. There are adequate provisions for public and emergency vehicle access, fire protection, sanitation, water and public utilities and services to ensure that the proposed development would not be detrimental to public health and safety. Adequate provisions shall mean that distribution and collection facilities and other infrastructure are installed at the time of development and in operation prior to occupancy of buildings and the land and all development fees have been paid prior to occupancy of buildings and the land.
- G. The proposed development is consistent with all applicable regulations of the Nevada County Environmental Health Department and the Truckee Fire Protection District for the transport, use and disposal of hazardous materials.

#### 18.76.040 - Conditions of Approval

- **A.** Review authority may impose conditions. In approving a Minor Use Permit or Use Permit, the Zoning Administrator or Commission may impose specific development conditions relating to the construction (both on- and off-site improvements), establishment, maintenance, location and operation of the proposed activity, as it finds are reasonable and necessary to ensure that the approval will be in compliance with the findings required by Section 18.76.030 (Findings and Decision).
- **B.** Examples of appropriate conditions. Appropriate conditions may include but not be limited to buffers, hours of operation, landscaping and maintenance, lighting, off-site improvements, parking, performance guarantees, periodic review of the permit with authority to modify or add new conditions based on the results of the review, property maintenance, signs, specified duration for the permit, surfacing, traffic circulation, etc.

Amendments 18.160

### CHAPTER 18.160 - GENERAL PLAN, ZONING MAP, AND DEVELOPMENT CODE AMENDMENTS

#### **Sections:**

18.160.010 - Purpose of Chapter

18.160.020 - Initiation of Amendments

18.160.030 - Notice and Hearing

18.160.040 - Commission's Action on Amendments

18.160.050 - Council's Action on Amendments

18.160.060 - Findings for Amendments

18.160.070 - Conditional Rezonings

#### **18.160.010 - Purpose of Chapter**

- A. This Chapter provides procedures for the amendment of the General Plan, Zoning Map, and this Development Code, whenever required by public necessity and general welfare.
- B. The General Plan amendments may include revisions to actions, goals, land use designations, policies, or text.
- C. Zoning Map amendments have the effect of rezoning property from one zoning district to another.
- D. Amendments to this Development Code may modify any procedures, provisions, requirements, or standards applicable to the development and/or use of property within the Town.
- E. Review and approval of each of the amendments identified above is a legislative act and not a land use permit or entitlement.

#### 18.160.020 - Initiation of Amendments

Amendments to the General Plan, Zoning Map, or this Development Code may be initiated by:

- **A. Private parties.** Private parties through the filing of an application including all materials and information required by the Director, and the applicable filing fee; or
- **B.** Council. The Council.

#### **18.160.030 - Notice and Hearing**

After receipt of a complete application for amendment, the Director shall review the proposal, schedule public hearings before the Commission and Council, and prepare a staff report evaluating and providing recommendations on the proposal. Notice of the hearings shall be given in compliance with Section 18.180.030 (Notice of Hearing).

Amendments 18.160

#### 18.160.040 - Commission's Action on Amendments

The Commission shall make a written recommendation to the Council whether to approve in modified form, or deny the proposed amendment, based upon the findings contained in Section 18.160.060 (Findings for Amendments).

#### 18.160.050 - Council's Action on Amendments

**A.** Council's action. Upon receipt of the Commission's recommendation, the Council shall approve, approve in modified form, or deny the proposed amendment based upon the findings contained in Section 18.160.060 (Findings for Amendments).

#### B. Referral to Commission.

- 1. If the Council proposes to adopt any substantial modification to the amendment not previously considered by the Commission during its hearings, the proposed modification may be first referred back to the Commission for its recommendation, in compliance with State law (Government Code Sections 65356 [General Plan Amendments] and 65857 [Zoning Map/Development Code Amendments]).
- 2. Failure of the Commission to report back to the Council within 45 days (General Plan Amendments) or 40 days (Zoning Map/Development Code Amendments) after the referral, or within a longer time set by the Council, shall be deemed a recommendation for approval of the modification.

#### 18.160.060 - Findings for Amendments

An amendment to the General Plan, the Zoning Map, or this Development Code may be approved only if all of the following findings are made, as applicable to the type of amendment.

#### A. Findings for all amendments:

- 1. The proposed amendment ensures and maintains internal consistency with all of the goals, policies, and actions of all elements of the General Plan and any applicable specific plan; and
- 2. The proposed amendment would not be detrimental to the public interest, health, safety, convenience, or welfare of the Town.
- 3. With the proposed amendment, adequate and available sites remain to mitigate the loss of any residential density to accommodate the Town of Truckee's fair share regional housing need in compliance with State law (Government Code Section 65863[b]).
- **B.** Additional finding for Zoning Map amendments. There is adequate capacity available in the community sewer and water systems to serve the potential development, and the site is physically suitable for the requested zoning designation(s) and anticipated land use development(s). Factors considered to evaluate suitability shall include access, provision of utilities, compatibility with adjoining land uses, and absence of physical constraints.

Amendments 18.160

**C.** Additional finding for Development Code amendments. The proposed amendment ensures and maintains internal consistency with other applicable provisions of this Development Code.

#### **18.160.070 - Conditional Rezonings**

The Commission may recommend and the Council may impose reasonable conditions on the approval of any Zoning Map amendment for the purposes of ensuring consistency of the proposed zoning with the General Plan, mitigating environmental impacts, minimizing functional conflicts with surrounding land uses, or any other purpose that is determined by the Council to protect the public health, safety, or general welfare.

- **A. Type of conditions.** Conditions imposed on a Zoning Map amendment in compliance with this Section may include, but are not limited to, dedication of additional road rights-of-way and requirements for participation in the cost of public improvements, deemed necessary and reasonably related to the land uses that would be allowed by the proposed zoning, and limitations on the type and nature of land uses allowed in the new zoning district.
- **B.** Timing of compliance with conditions. When a Zoning Map amendment with conditions is adopted by the Council, the ordinance shall specify when the conditions shall be satisfied relative to the approval by the Town of any subdivision of the property, any land use or construction permits, or actual development.

# TAHOE-TRUCKEE SANITATION AGENCY MEMORANDUM

**Date:** March 17, 2021

**To:** Board of Directors

From: Jay Parker, Engineering Manager

Item: IV-7

**Subject:** Approval of Resolution No. 4-2021 accepting manhole offer of dedication from Olympic

Valley Public Service District

#### **Background**

In late 2019, the Olympic Valley Public Service District (OVPSD) completed its Truckee River Siphon Project which installed new replacement OVPSD sewer lines to replace an aging existing OVPSD line under the Truckee River. As part of this project, OVPSD's contractor installed a new manhole on T-TSA's Truckee River Interceptor to receive the new pipelines. The work was coordinated with the Agency during pre-design, final design, and construction activities. T-TSA staff were also present onsite during construction to monitor the work and ensure that it was being constructed per plans and specifications. Following construction, T-TSA jointly inspected the facility with OVPSD staff, developed a punch list, and OVPSD had its contractor complete the work to T-TSA's full satisfaction. Since that time, the manhole has been functioning well and T-TSA does not require any follow-up work at this location on account of the project. The OVPSD would now like to dedicate the new manhole to T-TSA.

Approval to solicit bids for the 2021 Asphalt Sealing project **Subject:** 

#### **Background**

To prolong the life of the existing pavement at the water reclamation facility, the Agency contracts out for an asphalt sealing project every few years. The 2021 Asphalt Sealing project consists of providing two seal coats to approximately 332,000 square feet of asphalt pavement, routing and filling cracks with crack filler, and providing traffic stripes and pavement markings.

The construction work contemplated would be performed by a general contractor with field work slated to occur between August 16, 2021 and September 3, 2021.

#### **Fiscal Impact**

The engineer's estimate for this project is \$100,000. The budgeted amount for the project is also \$100,000.

# TAHOE-TRUCKEE SANITATION AGENCY MEMORANDUM

**Date:** March 17, 2021

**To:** Board of Directors

**From:** Jay Parker, Engineering Manager

Item: IV-9

**Subject:** Approval to award the 2021 Plant Painting project

#### **Background**

The 2021 Plant Painting project builds on the recent painting projects of 2016, 2018, and 2020. These projects entail repairing areas of the water reclamation plant that are corroding using a strategic phased approach to extend the expected service life of the various facilities involved. The focus of this phase is to rehabilitate and recoat Secondary Clarifier No. 2 and Stripper Basin No. 58. If approved by the Board, the construction work contemplated would be performed by a general contractor with field work slated to occur between May 17, 2021 and August 6, 2021.

One bid for the project was received on February 18, 2021 as follows:

• Euro Style Management, Inc. (ESM), N. Highlands, CA: \$452,540.00

ESM's bid was found to be responsible and responsive.

#### **Fiscal Impact**

The total bid price of \$452,540.00 falls between the updated engineer's estimate of \$350,000 and the original budgeted amount of \$500,000.

#### **Attachments**

None.

#### Recommendation

Management and staff recommend approval to award the bid to ESM for the 2021 Plant Painting project.

**From:** Jay Parker, Engineering Manager

Item: IV-10

**Subject:** Approval to award the 2021 Chiller Replacement project

#### **Background**

The 2021 Chiller Replacement project consists of installing a new chiller to serve the Administration Building. The existing unit has reached the end of its useful life. The installation work contemplated would be performed by a general contractor with field work slated to occur between June 1, 2021 and June 7, 2021.

One bid for the project was received on February 18, 2021 as follows:

• Johnson Controls Inc. (JCI), York, PA: \$76,596.00

JCI's bid was found to be responsible and responsive.

#### **Fiscal Impact**

The total bid price of \$76,596.00 is less than both the budgeted amount of \$150,000 and the engineer's estimate of \$80,000.

#### **Attachments**

From: Richard Pallante, Maintenance Manager

Item: IV-11

**Subject:** Approval to purchase three (3) Taylor-Dunn electric utility carts

### **Background**

The Agency utilizes a fleet of electric utility carts to transport staff, tools, and equipment within the facility for the performance of operation and maintenance duties. While the current fleet has met the needs, it is ageing.

With several carts in the fleet at twenty-one years of age, or older, management and staff determined that a multi-year phased replacement program was needed. Funds were budgeted, allocated and utilized to procure two new electric utility carts as part of the 2019/2020 budget process. For the 2020/2021 budget year funds were budgeted and allocated to purchase a replacement light duty vehicle. Upon review of current vehicle assignments, it was determined that an additional light duty vehicle is not needed and that the funds could be re-allocated to purchase three (3) new electric utility carts this budget year to further the utility cart replacement program.

Bids for procurement were not solicited as they are not required in accordance with Agency Ordinance No. 3-2015:

"Exceptions. Bidding will not be required for purchases in the following situations: ... ...(iii) the Material is to be purchased through or from the State of California or other federal, state or local government group sale program."

A quote of \$29,310.00 (excluding sales tax) has been provided by Toyota Material Handling, the local Taylor-Dunn sales representative for the National Joint Powers Alliance (NJPA/Sourcewell) program. Sales tax has not been included; however, the sales tax is calculated to be \$2,198.25. The estimated calculated total amount, with sales tax, is \$31,508.25.

The purchase of a replacement vehicle in the amount of \$30,000 was budgeted and approved in the 2020/2021 Annual Budget.

### **Fiscal Impact**

\$31,508.25 (approximately)

#### **Attachments**

- 1. Toyota Material Handling Taylor-Dunn B-200 quote.
- 2. National Joint Powers Alliance (NJPA) sale program agreement.

### Recommendation
