MEMORANDUM

Date:	November 13, 2019
To:	Board of Directors
From:	Roshelle Chavez, Administrative Services Manager
Item:	IV-3
Subject:	Approval of financial statements

Background

Attached are the financial statements for the previous calendar month(s) which include (1) fund summaries, (2) end of month fund balances, (3) end of month cash balances, and (4) a L.A.I. F. statement.

Fund Summaries are provided for Fund 00: Administration; Fund 01: Operations and Maintenance; Fund 02: Wastewater Capital Reserve Fund; and Fund 06: Replacement, Rehabilitation and Upgrade and provide a summary of the expenditure and revenue activity within each of the funds.

The end of month fund balance table provides the activity within all Agency funds and provides additional details for cash and accrual accounting which will reconcile with the end of month cash balances.

The end of month cash balance table provides the interest and balance details of all Agency accounts which will reconcile with the end of month fund balances.

The L.A.I.F. statement provides detail on activity within the account.

Fiscal Impact None.

Attachments Report of financial statements.

Recommendation

Management recommends approval of the financial statements.

MEMORANDUM

Date:	November 13, 2019
To:	Board of Directors
From:	Jay Parker, Engineering Manager
Item:	IV-4
Subject:	Approval of Progress Pay Estimate No. 1 for the 2019 Roof Repair project

Background

The 2019 Roof Repair project follows up on last year's project to repair critical roof areas that have reached the end of their life cycle and need to be replaced. During the winter of 2018/2019, staff noted several roof areas in various buildings throughout the plant that needed repair or replacement. In this project, the Agency will be completely replacing the roof areas for the following facilities:

- Building 4, Middle Roof
- Building 27, Electrical Supply Building
- Building 32, Digester Building (New Side)
- Buildings 13 & 53, C&CT

Between late September and mid-October, the Contractor completed work on Building 13 & 53. Progress pay estimate no. 1 is to compensate the contractor for this first step of the work. Contract Modification No. 1 postponed the remaining work until next summer with a completion date of July 31, 2020.

Fiscal Impact

Withholding 5% for retention from progress pay estimate no. 1 would yield a payment to the contractor of \$125,742.28.

Attachments

From:	Jay Parker, Engineering Manager
Item:	IV-5
Subject:	Approval of Progress Pay Estimate No. 2 for the 2019 Digital Scanning of Sewer Lines project

Background

The 2019 Digital Scanning of Sewer Lines project (Project) includes the work to digitally scan two schedules (Schedules I and II) of the Truckee River Interceptor (TRI) between the West Shore Flume in Tahoe City and T-TSA Manhole No. 53 in the vicinity of Bridge No. 6 on Highway 89. The total length to be scanned is approximately 35,000 feet in length and consists of RCP and DIP piping ranging from 24 to 33 inches in diameter.

The contract documents state that the Agency will pay the contractor five percent (5%) of the total bid price upon submission of a complete set of approved shop drawing submittals, forty five percent (45%) upon completion of all required Inspection Work, and fifty percent (50%) upon delivery of a complete set of deliverables that are in full conformance with all specified requirements. During this pay period, the contractor completed all of the required Inspection Work. Progress pay estimate no. 2 is to compensate the contractor for this second step of the work.

Fiscal Impact

Withholding 5% for retention from progress pay estimate no. 2 would yield a payment to the contractor of \$62,526.35.

MEMORANDUM

Date:	November 13, 2019
To:	Board of Directors
From:	Roshelle Chavez, Administrative Services Manager
Item:	V-2
Subject:	Approval to refinance the State Revolving Fund (SRF) loan

Background

In February 2004, the Tahoe-Truckee Sanitation Agency borrowed \$47,219,706 from the California State Water Resources Control Board - State Revolving Fund (SRF) Loan Program. Loan proceeds were used to expand the capacity of the Agency's wastewater treatment plant. The SRF loan is secured by and payable from wastewater system revenues, carries an interest rate of 2.60%, and has a final maturity date of October 31, 2027. Currently, \$23,186,034 of the SRF Loan remains outstanding.

Interest rates have declined during the past six months, such that the Agency can refinance the SRF loan and obtain a debt service savings, similar to refinancing a home mortgage at a lower interest rate.

The Agency can issue Refunding Bonds at an 'all-inclusive true interest cost' of approximately 1.40% as compared to a rate of 2.60% on the SRF loan being refinanced.

Fiscal Impact

Refinancing the SRF loan at current market interest rates will save approximately \$157,000 per year from 2020 through 2027, for a total debt service savings of approximately \$1,257,000. These savings are net of all issuance costs and assume no extension of the final maturity.

Additionally, if the Agency applies its SRF loan reserve (approximately \$3M) toward the refinancing, then annual savings increase to approximately \$557,000 per year from 2020 through 2027, for a total savings of approximately \$4,454,000.

Another measure of the savings from this type of refinancing is 'Net Present Value Savings' or NPV Savings. NPV Savings equals total nominal debt service savings adjusted for the time value of money, costs of issuance, and any up-front contribution of funds. NPV Savings is considered a better measure of the true or real "economic benefit" of such a refinancing.

Based on municipal market conditions as of November 4, 2019, the SRF loan refinancing will yield NPV Savings of approximately \$1,200,000 or 5.17% of the outstanding SRF loan balance. As a rule of thumb, NPV Savings of 3%-5% is considered good. In light of the fact that the SRF Loan carries an interest rate of only 2.60%, NPV Savings of 5.17% is very good.

The cost of issuing the Refunding Bonds is expected not-to-exceed \$230,000 including fees for Bond and Disclosure Counsel, Underwriter, Financial Advisor, Trustee, Rating Agency and miscellaneous other fees and expenses. All costs of issuance are payable from proceeds of the Refunding Bonds upon closing. If for any reason the refinancing fails to close, then all fees and expenses will be waived and the Agency will not be billed, with one exception. A portion of the Rating Agency Fee estimated at approximately \$10,000 is not contingent.

From start to finish, it will take approximately 12-weeks to complete the SRF loan refinancing. The proposed schedule anticipates all preparations for the issuance of the Refunding Bonds will be completed by year-end, whereupon the refinancing will be submitted for formal approval at the January 8, 2020 Board of Directors meeting.

If everything remains on schedule, then the bond sale will occur on or about January 22, 2020 and closing will occur on or about February 5, 2020.

MEMORANDUM

Date:	November 13, 2019
To:	Board of Directors
From:	LaRue Griffin, General Manager
Item:	V-3
Subject:	Discussion on potentially changing the date and time of the regular Board of Directors meetings

Background

At the June 12, 2019 Board of Directors meeting, direction was provided to revisit the discussion to potentially change the date and time of the Agency regular Board of Directors meetings.

The Agency currently holds its regular Board of Directors meeting on the second Wednesday of the calendar month and any changes to the Board of Directors regular meeting schedule shall require a resolution or ordinance in accordance with Government Code § 54954(a):

"Each legislative body of a local agency, except for advisory committees or standing committees, shall provide, by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body, the time and place for holding regular meetings."

Due to the current meeting date and packet preparation, Agency staff is often limited on financial documentation preparation time. It would be beneficial for Agency staff if the meeting date was changed to the third week, or later week, of the month.

Fiscal Impact None.

Recommendation

Management and staff recommend the Board of Directors change the date and time of the regular Board of Directors meetings to the third week of the month.

Should there be a request to change the date and time of the meeting, a resolution will be prepared for Board of Directors consideration at the December 11, 2019 meeting.
